

By enrolling your child in DanceStruck classes you (as the student's parent or guardian) acknowledge that you have read, agree to abide by, and consent to, all of the terms, conditions, codes and policies referred to below.

**To re-enrol for Term 3 2020 at DanceStruck and beyond, you must agree to the below terms:**

**Students MUST dance from home if they are unwell.**

DanceStruck will continue to provide dance instruction via live stream Zoom class links. There will be no refunds for students not attending class due to illness AND/OR if government restrictions require us to stop face-to-face learning.

If government imposed restrictions require us to once again close our doors we will immediately revert to online learning platforms. By re-enrolling with DanceStruck you are agreeing to this approach and understand that you will not be refunded for any fees paid.

**COVID-19 Safe Policy**

All DanceStruck students **and** their parents or guardians must follow the DanceStruck COVID-19 Safe Policy and associated procedures set by the Victorian Government. These will be regularly updated as necessary.

DanceStruck is committed to maintaining best practices in relation to hygiene standards and has taken all possible measures to make our environment safe, supportive, nurturing and joyous for our school.

Resuming our operations means that we will need to run a little differently to how we have in the past. **Students (and Parents if entry is necessary) must sanitize their hands on entry and exit and after bathroom breaks as a non-negotiable and follow all signs and staff guidance as a compulsory requirement of entry.**

Our COVID-19 Safe Policies and procedures have been developed using Victorian Government, Work Safe and Ausdance best practice guidelines. The Ausdance Return to Dance guidelines can be viewed here: <https://www.ausdancevic.org.au/resources-from-ausdance-vic>

**What we have put in place to keep you and your child safe at dancing:**

- All staff have completed the Australian Government COVID-19 Infection Control Training and will remain up to date with government guidelines in relation to hygiene and infection control.
- All staff have also received formal training on specific DanceStruck COVID-19 procedures during and in between classes
- We are providing hand sanitizer, soap, disposable hand towels, tissues and bins in the studios, bathrooms and at entry & exit doors. Use of these are compulsory and necessary.
- We are deep cleaning and sanitising all areas of the building daily, this will include wiping down all surfaces in between each class every day including barres, door handles and handrails.

- Additional professional COVID-19 Sanitization has been completed for the entire building.
- Partner work or use of communal props will be replaced with other exciting exercises
- Dancestruck staff will fully supervise all students during drop off and pick up times to eliminate the need for parents/carers to enter the building.

### What we need from you:

- Students must not come to class if they are sick or have had contact with a known or suspected case of COVID-19.
- Parents and Guardians will remain outside of the studio to eliminate as much risk as possible, only **one** person should accompany a student to drop off and pick up at the doors.
- Students (and staff) will be refused entry if showing any symptoms of illness or removed from class and sent home immediately. Other costs may incur for additional cleaning if required.
- The waiting area inside of the studio is **closed**, parents are not permitted to congregate outside of the studio at any time and must adhere to social distancing guidelines at pick up and drop off.
- If it is **absolutely necessary** for a parent/carer to enter the building, a 'Condition of Entry' form must be signed and agreed to, temperature taken and hands must be sanitized prior to entry and social distancing observed at all times.
- Parents & Students **must be early to pick/up drop off times (but stay in the car until class is about to begin/ended)**. We are unable to moderate social distancing outside our class times, please be on time.
- Students are asked to go to the bathroom and wash their hands **before** coming to the studio and are only permitted to bring their **named** change of shoes and a **named** drink bottle to class.
- We encourage parents to wipe these items with antibacterial cloth **before and after** coming to class.
- Students must refrain from any unnecessary body contact and abide by the social distancing practices in place at the studio (e.g. hugging, high five etc) and ask Parents & Carers to reiterate this to your children. We understand this is more challenging for little ones and will do our best together to promote positive strategies and age appropriate guidance.
- Class sizing is limited, as such we will only be permitting students who have paid into the building.

**By signing the below you are agreeing to follow the above practices set by the Victorian Government and DanceStruck and acknowledge that breach of these guidelines could result in a government fine.**
